 - A. **DPLU's Forest Conservation Initiative (FCI) Land Rezoning Recommendation:** Review and comment on DPLU's FCI rezoning proposal. Maps and information can be found at <http://www.sdcounty.ca.gov/dplu/advance/FCI.html>.

Review of the DPLU FCI maps and attachments reveal little change from their initial recommendations from last year. DPG's recommendation to zone properties in the Rural Village Boundaries in accordance with existing surrounding use was not changed. The Riverside Dr./Tanglewood portion of the Descanso Water District was left at SR10. Descanso Junction residential area was left at SR-4. Both designations are significantly different than existing surrounding use.

Changes from DPLU previous recommendation included SR-4 designation from SR-10 of river property by the Riverside Dr. bridge which is not in the Rural Village Boundary and SR-10 from SR-40 designations on certain properties near I-8 which DPG asked to be reviewed in last year's DPLU proposal.

John Elliott agreed to review the impact of the new recommended use changes from RS, S92 and S80 to A70 General Agriculture and S88 to S92 General Rural.

8. Old Business
